PATHOLOGY & CANCER DIAGNOSIS - 2026

BioGenesis  
HEALTH CLUSTER

**20th September 2026**  
**A V Rama Rao Auditorium,**  
**Chemical Science Building, Indian**  
**Institute of Science (IISc), Mathikere,**  
**Bengaluru, Karnataka 560012**

**Dr. V.P. Rao**  
Convenor,

4th World Congress on Pathology and Cancer  
Diagnosis – 2026

Dear Colleagues and Friends,

It is with great pleasure that I welcome you to the 4th World Congress on Pathology and Cancer Diagnosis – 2026, to be held on 20 September 2026 at the A. V. Rama Rao Auditorium, Indian Institute of Science, Bengaluru.

This Congress brings together a vibrant community of clinicians, scientists, researchers, industry experts, and students who are committed to advancing the science and practice of modern diagnostics. As pathology continues to evolve—driven by digital innovation, molecular insights, and precision-medicine approaches—this event offers a timely platform to explore breakthroughs that can transform patient care worldwide.

I warmly invite you to share your expertise, present your research, and engage in constructive dialogue with global leaders. Your participation will enrich the collective effort to identify novel technologies, diagnostic tools, and therapeutic strategies crucial for the future of healthcare.

We look forward to welcoming you to Bengaluru for an inspiring and impactful scientific gathering.

**Prof. Ajit Kumar Saxena**  
Chairman,

4th World Congress on Pathology and Cancer  
Diagnosis – 2026

Dear Colleagues and Friends,

It is my honor to invite you to join us for the 4th World Congress on Pathology and Cancer Diagnosis – 2026, a premier international forum dedicated to advancing diagnostic excellence and fostering collaboration across disciplines.

As the healthcare landscape rapidly transforms, the role of pathology in early detection, accurate diagnosis, and personalized cancer treatment has never been more critical. This Congress offers an exceptional opportunity for clinicians, researchers, scientists, and young scholars to exchange knowledge, discover innovations, and build meaningful partnerships that will shape the future of pathology and cancer care.

We are confident that your presence and contributions will elevate the scientific dialogue and help drive forward new ideas, technologies, and solutions to meet today's pressing healthcare challenges.

I warmly welcome you to IISc Bengaluru and invite you to be part of this important gathering of global thought leaders.

## WELCOME TO 4TH WORLD CONGRESS ON PATHOLOGY AND CANCER DIAGNOSIS - 2026

BioGenesis Health Cluster (Not For Profit) are We are delighted to welcome distinguished delegates, speakers, researchers, industry leaders, and innovators to the 4th World Congress on Pathology and Cancer Diagnosis - 2026, to be held on 20th September 2026 hosted at the prestigious A V Rama Rao Auditorium, Chemical Science Building, Indian Institute of Science (IISc), Mathikere, Bengaluru, Karnataka 560012. This congress is dedicated to exploring groundbreaking advancements in pathology, fostering global collaboration, and driving innovation to improve health and well-being worldwide.

### ABOUT THE CONGRESS:

The World Congress on Pathology and Cancer Diagnosis enters its fourth edition with a renewed focus on scientific advancement, clinical innovation, and collaborative research. Scheduled to be held at the prestigious Indian Institute of Science, Bengaluru, this global forum brings together leading clinicians, pathologists, oncologists, researchers, industry experts, technologists, and students to explore the rapidly evolving landscape of disease diagnostics and cancer care.

### WHO SHOULD ATTEND:

- Pathologists & histopathologists
- Oncologists & cancer specialists
- Diagnostic laboratory professionals
- Molecular pathologists & geneticists
- Clinical researchers & medical scientists
- Cancer biologists & translational researchers
- Radiologists & imaging specialists
- Academicians, scholars & students, Healthcare policymakers & regulatory professionals

### WHY TO ATTEND:

- Strengthen professional networks with leaders from academia, hospitals, research institutions, and the diagnostic industry and Connect with global thought leaders
- Explore funding, partnership, and commercialization opportunities
- Gain insight into breakthrough discoveries that are redefining pathology and cancer care

### EVENT HIGHLIGHTS:

- Keynote lectures by internationally renowned pathologists, oncologists, and cancer researchers
- Scientific sessions on advanced pathology, molecular diagnostics, and precision oncology
- Oral and poster presentations showcasing cutting-edge research and clinical innovations
- Industry exhibition featuring latest diagnostic tools, biomarkers, and laboratory technologies
- Interactive networking opportunities with global academicians, clinicians, and industry leaders
- Expert panel discussions on emerging trends in cancer diagnosis and translational medicine
- Hands-on workshops on AI-driven pathology, digital imaging, and genomic technologies

## CALL FOR ABSTRACTS:

All investigators are invited to submit abstracts on topics relevant to the conference themes listed on the website. Authors should submit their abstract(s) using the submission form provided on this page.

Abstracts must include sufficient detail regarding the methodologies employed and the results obtained, which will be presented at the conference. A confirmation email will be sent upon successful receipt of the abstract. If you do not receive confirmation within five (5) working days, please contact the conference secretariat.

Submission of an abstract implies that at least one author intends to register for the conference, attend the symposium, and present the work, either as an oral presentation (12 + 3 minutes) or as a poster.

Final acceptance of abstracts is contingent upon completion of conference registration and payment of the applicable registration fee. All abstracts will undergo peer review, and authors will be notified of acceptance in due course.

# TOP TOURIST PLACES IN KARNATAKA:

## EVENT TRACKS AND TOPICS OF INTEREST:

- Advances in Digital Pathology & Whole Slide Imaging (WSI)
- Artificial Intelligence & Machine Learning in Diagnostic Pathology
- Next-Generation Sequencing (NGS) and Genomic Profiling in Cancer Diagnosis
- Liquid Biopsy Technologies: Circulating Tumor DNA, ExoLiquid Biopsy Technologies: Circulating Tumor mes, and Biomarkers
- Multi-Omics Integration: Genomics, Proteomics, Metabolomics & Transcriptomics
- Immunohistochemistry (IHC) & Immunology Biomarkers for Precision Medicine
- Early Cancer Detection: Screening Programs, Risk Stratification & Predictive Tools
- Molecular Pathology in Personalized and Targeted Cancer Therapy
- AI-Assisted Cytopathology & Automation of Laboratory Workflows
- Tumor Microenvironment: Pathological Insights & Clinical Implications
- Point-of-Care Diagnostics & Rapid Diagnostic Platforms
- Nanotechnology-Driven Diagnostic and Theranostic Innovations
- Rare Tumors & Complex Case Diagnostics: New Approaches & Challenges
- Artificial Intelligence in Predicting Treatment Response and Prognosis
- Cancer Stem Cells & New Frontiers in Tumor Biology
- Quality Assurance, Standardization & Regulatory Perspectives in Diagnostic Pathology
- AI-Driven Decision Support Systems in Oncology
- Companion Diagnostics for Immunotherapy and Targeted Therapies
- Telepathology and Global Collaborations in Remote Diagnostics
- Ethical, Legal & Data Security Challenges in Digital and AI-Enabled Pathology

## Life Achievement Award

We are pleased to invite nominations for the Life Achievement Award in Pathology & Cancer Diagnosis, to be presented at the 4th World Congress on Pathology & Cancer Diagnosis 2026. This prestigious award honors outstanding professionals whose lifetime contributions have significantly advanced pathology, cancer research, and diagnostic science.

We welcome nominations of distinguished leaders whose work reflects excellence, innovation, and lasting impact on global healthcare.

## Young Scientist Achievement Award

### *In Honor of Nobel Laureate (2025) Mary E. Brunkow*

We are proud to announce the Young Scientist Achievement Award, dedicated to celebrating outstanding innovation and scientific excellence. Named in honor of Mary E. Brunkow, the eminent Nobel Prize laureate whose pioneering discoveries have transformed modern biomedical science, this award recognizes young researchers whose work exemplifies creativity, rigor, and meaningful impact. This distinction celebrates emerging talent whose achievements reflect the spirit of discovery that defines Mary E. Brunkow legacy.
